

Scissortail BEHS Team

Every Horse Deserves a Second Chance

We are participating in the **Bluebonnet Training Challenge** to push ourselves, grow our skills, and make a real impact.

As a part of this challenge, we are working to support the **Bluebonnet Equine Humane Society** by turning a rescue horse into a confident, adoptable partner.

We are currently looking for **sponsors** to help cover the cost, so we are able to give a **rescue horse a true second chance.**

Be part of something bigger. Help us give rescue horses a **second chance.**
